Biblical Based Online Values Lessons – Victory City Church Kampala

Note for the Parent/Guardian

Dear Parent / Guardian,

Thank you for taking up this task of going through the lesson with the children. The bible clearly teaches us in Deuteronomy 6: 4- 7

'Hear, O Israel: The LORD our God is one LORD: And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might. And these words, which I command thee this day, shall be in thine heart: And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up…..

From this verse we see that scripture encourages you to take on this role of not only teaching the children but also discipling them. These lessons have been tailor made to help you accomplish that. So here are a few pointers to help you.

- Pre-watch the video before you watch with the children to understand the topic being taught.
- Watch the video with the children.
- After have a discussion with them. (attached are age appropriate discussions you can have with them in that regard.
- Remember to send us a feedback noting observations, reactions, comments from the children to help us tailor these lessons better for them.

God bless you as we disciple the children together.

Pastor Laban Alayi; Victory City Church.

Guide

A. Watch the video together with the children.

B. Discussion Lesson Outline: (Follow this simple outline after watching the video).

Value name: Responsibility Lesson: #4

TEACHING GOAL	That the children will be Responsible always.
HOME WORK REVIEW	• Review the previous week homework assignment • Ask if they completed the challenge. • Ask for any feedback
DEFINE THE VALUE	***Ask for lessons learnt in the video and link to…*** Let's remind ourselves of What Responsibility is? (Accept all responses). **Say:** Responsibility is doing what you are supposed to do and doing it very well
LESSON POINT	**We all have to be responsible for whatever we have been given to do and do whatever we need to do very well. So, in today's lesson we looked at…** **(Repeat** the lesson point with the children:} I can be responsible
TODAY'S LESSON	**(Re-emphasize the misplaced value as taught in the video)** ***Ask:*** **what was today's misplaced value.** *The Misplaced Value:* ***Selfishness -everyone must think of themselves and their own needs.*** Its is wrong for us to just think of ourselves alone. The world is not made up of only one person. We fail to be responsible because we are selfish. We think the other person is the one to do this or that. If we all can think of others then the world can be a better place. ***Teaching of the Value (10 min)*** Responsibility is doing what you are supposed to do and doing it well. If everyone plays his role then work gets easily done. If everyone chose to do what they do best and do it well them we will be able to have a better world to live in. today determine to

play your part. If you are to clean the dishes then do it well it makes work easily for mother who probably is cooking the food. Imagine she has to cook and also wash the dishes. You can be responsible.
